

Attention: Third Grade Families
Instrumental Music for Grades 4 and 5, 2020-2021
Warren Township Schools, Warren, NJ
The Tradition Continues!

Warren Township takes great pride in our instrumental music program, starting in Fourth Grade. **We are committed to maintaining a safe, healthy, and fun program for all band and orchestra students!** Lessons will begin in the fall either in small groups or on-line, depending on guidelines from the state. Large ensembles will only take place if approved by the state, and only under strict guidelines. We will put the health and safety of our students *first* at all times.

A high-quality instrument is the key to success for beginners. Warren Township works with **Elefante Music** to provide quality instruments for rental. Renting is your family's best option: the cost is reasonable and the instrument will be delivered, *sterilized according to CDC guidelines*, to your child's school in the fall. Elefante guarantees quality and makes it easy to switch if your child wants to try another instrument. **We do not allow students to use low-quality instruments, such as those found at on-line retailers such as Amazon.** These instruments lead to frustration because they are unplayable, even at a beginning level.

Current Third Grade (rising to Fourth) students should choose an instrument as soon as possible. Their parents/guardians should then immediately fill out the on-line rental. **You must use the Warren Township District codes when placing your order with Elefante Music.** Using these codes ensures you will get our district discount and the necessary lesson books.
