On September 1, 2021 Watchung Hills Regional High School and the Warren Township Schools will welcome back students in a more traditional fashion than we have seen since the beginning of the pandemic. With that being said, the Warren Township Police Department would like to take this opportunity to remind our residents of the following:

- Be aware of school buses picking up and dropping students off at various locations in town
- Watch for students walking or riding their bicycles to and from school
- Allow extra time to get to work/school as traffic will increase throughout the town during peak commute times
- Be mindful of changing speed limits through school zones as students are now present
- Parents remind students to pay attention to traffic when using the bus or walking/biking to and from school

We wish all our students a safe and healthy school year.
